The Great Central South?

OF INNUMERABLE OPPORTUNITIES FOR YOUNG MEN OR OLD ONES—TO GROW RICH?

Do you want to know about rich farming lands, fertile, well located, on a Trunk Line Railroad, which will produce two, three and four crops from the same field each year? Land now to be had at from \$3 to \$5 an acre which will be worth from \$30 to \$150 within ten years? About stock raising where the extreme of winter feeding is but six (6) short weeks? Of places where truck-growing and fruit raising yield enormous returns each year? Of a land where you can live out of doors every day in the year? Of opportunities for establishing profitable manufacturing industries; of rich mineral locations, and splendid business openings? If you want to know the details of any or all of these write me. I will gladly advise you fully and truthfully.
